Graduation 2014

The Hebron High School Class of 2014 will be making their final school day entrance into Hebron High School on Thursday, June 5th. Due to the abundance of snow days we encountered this year, commencement is being held the evening of the last day of school. The seniors this year are required to go to their last day of classes in order to get their diplomas. As always, there were a lot of decisions made by this years graduating class about the specifics of their ceremony. The class flower this year is the Daisy. Instead of the traditional red gowns that Hebron girls have worn for years, the class has the girls wearing white while the boys wear red.

The guest speaker at this years' graduation ceremony will be English teacher Mr. Jared Grigsby, and the quote decided on by the class is attributed to Arthur C. Clarke, who said, "The only way to discover the limits of the possible, is to go beyond them into the impossible."

It will be bittersweet seeing the 2014 class leave. We wish them the very best, wherever life takes them after high school.

Final Exam Schedule

- ⇒ Thursday, May 29, -- 4th period seniors only
- ⇒ Friday, May 30 -- 5th and 7th periods (7th starting at 1:12) seniors only
- ⇒ Monday, June 2 -- 1st period -- all students
- ⇒ Tuesday, June 3 -- 6th and 8th periods -- all students
- ⇒ Wednesday, June 4 -- 2nd period all students and 4th period -- non-seniors only
- ⇒ Thursday, June 5 -- 5th and 7th periods (7th starting at 12:12) non-seniors only

Girls Softball

Recently the Hebron Lady Hawks beat South Central in the first round of the PCC tournament with an amazing score of 21-6. That win leads the Hawks into the championship game against the Boone Grove Wolves. It was a tight game with no score for the first 5 inning, then Boone

managed to score and they took the win and the PCC title with a final score 0-1. May 21, 2014 the Hawks got an amazing win against the KV Kougars. Hebron won 8-4. Next week the Hawks will be playing

Bishop Noel in the first round of sectionals on Wednesday, May 28.

June 5, 2014 is our last day of school and the students will be released at 1:35. This is the makeup day from the last snow day we had. Which one, you ask? Well, we lost track, there were so many... (March 12)

Hawks Baseball

As the weather heats up so do the Hebron Hawks. The Hawks baseball team has a record of 15-8 so far in this 2014 season. Hebron was on a four game winning streak after defeating Tri-Central (22-1), Oregon-Davis (12-2), Rensselaer (12-3), and South Central (14-5). The four game winning streak was snapped Saturday after a loss to Whiting. The Hawks started another winning streak of two games after the loss by defeating Hammond Morton and Lowell. The two game winning run ended due to a Griffith loss.

The Hawks had their first game of the PCC Tournament on Wednesday, May 21 in a matchup against the Boone Grove Wolves. Hebron came up on top by a score of 5-3. With the win over the Wolves, the Hawks advance to go up against the Washington Township Senators on Friday, May 23 in the PCC Tournament semifinals.

The IHSAA Baseball Sectional Pairings were released and the Hawks were put up

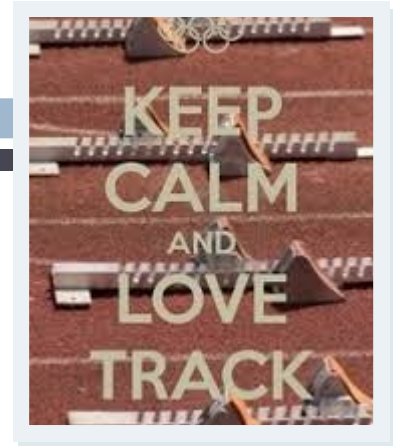

against the Boone Grove Wolves in the first round of sectionals on Wednesday, May 29. This is will be the third time in the 2014 baseball season that Hebron and Boone Grove will go head to head. We hope to see all you fans come out and support the Hawks at Oil City Stadium in Whiting for the sectional games.

Thank you to all the fans that have come out to support the Hawks baseball team this season. You have all been a great crowd to have at the games and the team appreciates your support.

Track and Field

The Hebron Lady Track Team ran their Sectionals on May 20th. The team itself did not qualify but some of the athletes did qualify. Sophomore Sarah Benjamin qualified for the 2 mile. Freshman Danielle Roeske and Junior Kelly Steffan qualified for discus and shot, respectively. Freshman Carli Sowonik claimed the Sectional Champion title for pole vault. The 4x4 team of Carli Sowonik, Liz Fox, Sydney Mars, and Katie Clemens qualified for regionals as well. Regionals will be on Tuesday May 27th at Chesterton High School. Hope to see you come out and support our girls track!

The Hebron Boys took Round Robin and PCC for the second time in fifteen years. Blake Wallace led the Hawks to victory as he took first in the 100 meter dash, second in the long jump, third in the 200 meter dash. Mathew Lyons helped with a third place finish in the 110 hurdles and a second in the 300 hurdles. Austin Riese won the pole vault giving the team a boost in points. Brad Blank blew away competitors in the high jump and 400 meter dash. The freshmen of the team also stepped up with Scott Crawley winning the 800 and Joe McNeill winning the 2 mile. The boys left the meet as champions and with motivation for the post season.

But wait, there's more....

- The Spring Athletic Awards program has been moved to Monday, June 2nd at 6:00pm in the auditorium. To avoid forfeiting your award, please notify your coaches if you cannot attend. And as a reminder, proper attire is required.
- Sports physicals will be on Tuesday, June 3rd from 3:00-6:00pm in the high school. Information is available on our school website or in the athletic office.

The Hawk's Nest

The Hawk's Nest School Store would like to thank all students and staff for supporting our efforts to learn about business concepts and fundraise for Business Professionals of America and help out various causes through the Hawk's Nest. As we finish off our fourth year of business, we want to express to all of our customers how

grateful we are that we can be of service to the school while gaining experience in real life retailing and merchandising situations. We are always on a mission to make the store better at addressing the needs of the customers, and that will continue through the very last day of school.

We would also like to recognize and give a huge thank you to Mrs. Karen Jania for creating a beautiful Hawk's Nest sign for our store, using

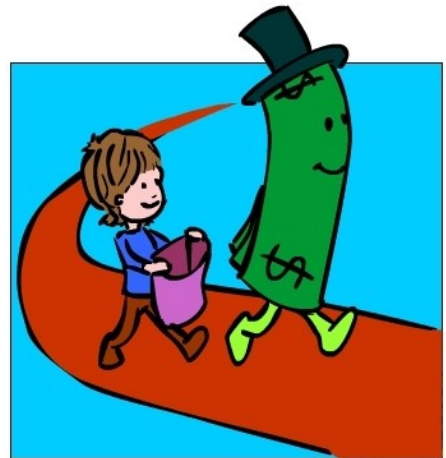

her own creativity and supplies. This sign has taken our level of professionalism up a few notches, for sure! Thank you, Mrs. Jania-we appreciate your thoughtfulness. You are a huge asset to our school!

Walk-A-Thon

The Hebron Community Scholarship Fund will be hosting a Walk-A-Thon on Wednesday, May 28th at 1:30 pm. Students participating in the walk must donate at least \$5 which will go toward the scholarship fund.

The Hebron Community Scholarship Fund presents many various scholarships to Hebron High School Seniors each year. And what a way to enjoy this nice weather! It's a win-win for the Hebron community!

 On behalf of all of us here at Hebron High School, have a delightful, productive and safe summer break.
 The first day of school for students is Wednesday, August 20, 2014.

Guidance/Scholarships \$\$\$\$\$\$\$\$\$\$

Parents of seniors and seniors, if you are looking for college money, we have some great sources for you and they're as close as your local high school guidance office! The following is just a sample of some of the scholarships available right now and the deadlines for submission:

Great Clips Scholarship Program

June 1, 2014

Braces For All Ages

June 2, 2014

Also, check out studentscholarships.org, Indiana's leading source for finding scholarship money. It's a search engine that sends you scholarships that match your profile. Visit the guidance office to check out some of the scholarships they have to offer.

National Honor Society

The National Honor Society held their last meeting of the year on May 6, 2014 and elected their officers for next year. The 2014/15 officers are:

President- Madison Bell

Vice President- Matt Hernandez

Secretary- Morgan Morrow

Treasurer- Joann Keys

The Hebron Chapter also held a party on May 16th to say goodbye to the graduating seniors and show them how much their work was appreciated on behalf of the chapter. Also in May, members were busy conducting a food drive where members went out and collected goods for the Hebron Country Pantry.

Looking forward, our Hebron HS NHS is teaming up with the Lowell HS NHS chapter to help with their Cancer Walk on May 31. We collected water to help supply the water stations the day of the walk from the school community. Donations came from students, teachers, the Hebron Chapter of Business Professionals of America, and Chartwells.

National Honor Society Advisor Mrs. Kiner and the members wish you a wonderful, restful summer and look forward to working with you next year on behalf of the Hebron Community.

Dress Code Reminder

We are now in the month of May and that means that the nice, warm weather will be coming back to stay. With the warm weather we all need a refresher about our school dress code. All tops must be covering the shoulders of the student. If the top has shoulder straps, the straps must be three fingers wide. The shorts and skirts of the student must have the appropriate length. The lengths we are looking for in a student's

bottoms are to the fingertips when your arms are fully extended at your sides. Inappropriate tightness of clothing is also not allowed. Another thing that comes to mind when the weather gets warmer is holes in jeans/shorts. There is to be no tears in legwear above the knees. We hope you keep these rules in mind in the morning before you come to school, so there won't be a need to call home for a more appropriate replacement!

From the Hebron Public Library...

Our Summer Reading Program will be kicking into gear just as school is ending, and we'd love to get more teens involved in our program. Our theme this year is *Spark A Reaction*, and we have some great prizes for teens who participate in our Online Summer Reading, as well as a number of great events lined up, including: Myth busters; Robots & Robotics; The Amazing Race: Fandom Worlds Collide; DIY Spa Science; and more. We also have a need for more teen volunteers for our program, which is an excellent way to get job experience and hours for NHS. For more information, please see the attached flyer (on the next page of this publication).

Want to earn prizes for reading this Summer?

Independent Summer Reading
is **ONLINE!**

Register @ our website:
www.pcpls.org

Start logging books on June 1st.
All ages can participate, from birth through adulthood!
Earn prizes & books!

Library events will be held in the Community Room on the 1st Floor.

Registration is required and is now open.

Sign up in person at the Youth Services Desk or by phone: 219 996-3684.

Anyone who participates in events must also do the Online Independent Summer Reading Program.

All programs are being generously sponsored by the Friends of the Library!

**READ-AND-RIDE:
EARN A DISCOUNT RIDE
VOUCHER FOR THE
PORTER COUNTY FAIR!**

Preschoolers and students who have completed Gr. K-8

Complete your Summer Reading requirements and receive a voucher!

Free admission for students AND accompanying adult before 1:00 p.m. After 1:00 p.m., free admission for student ONLY.

You may use your Read-and-Ride voucher on any one of the following dates: July 21 (Mon.) – July 25 (Fri.)

A BIG thanks to our partners at the Porter County Fair!

**SUMMER
2014
TEEN EVENTS**

Sat., June 1 - Sat., July 12

**Hebron
Public Library
201 West Sigler St.
996-3684
www.pcpls.org**

**We Want
YOU!**

Want to Volunteer?

The Youth Services Department needs you! Applications are available in the YS department. Turn in an application and plan to attend one of the following training sessions if you want to volunteer.

**Wednesday, June 4 at 4:00pm
OR**

Thursday, June 5 at 3:00pm.

Mythbusters

Wed. June 11th
3:00-4:00pm

Will consuming Pop Rocks and Cola make your stomach explode?

Prepare to get messy as we experiment to prove (or disprove!) certain myths!

Robots & Robotics

Wed. June 18th
3:00-4:00pm

Ever wanted your own robot? Design and build your own Bristle Bot, then get a taste of programming by instructing a teammate "robot" to move through an obstacle course!

**The Amazing Race:
Fandom Worlds Collide**

Wed. June 25th
3:00-4:00pm

What if you could visit your favorite worlds?

It's The Amazing Race, fandom style! Team up and compete in a race of challenges set in some of your favorite worlds: Hunger Games, Doctor Who, Sherlock, Divergent, Harry Potter, and many more!

DIY Spa Science

Wed. July 2nd
3:00-4:00pm

Learn the science behind making your own skincare treatments with ingredients from home! Create and sample, then get a recipe booklet so you can DIY!

Art & Tie-Dye T-shirts

Wed. July 9th
3:00-4:30pm

Spark a reaction with your art! Make a tie-dye shirt and try your hand at other great art projects like Shrinky Dinks, Tardis Art, Hot Air Balloon Light Bulbs, and more!

Bring a pre-washed white cotton t-shirt.

**Games & Catapult War
Final Celebration*!**

Wed. July 16th
3:00-5:00pm

Celebrate the end of Independent Summer Reading with prizes, a Marshmallow Catapult War, and some fantastic board games!

*For teens who have **completed** their Summer Reading goal by logging 700 pages online.

Thank You for Supporting the Referendum

Thank you for helping us in our mission to continue the quality of education here at Hebron Schools. Because the referendum passed, we are now able to:

- ◇ *Get back to more manageable class sizes at the elementary, middle and high school*
- ◇ *Add back some of the programs that were lost due to funding cuts at the state level*
- ◇ *Keep our current staff and replace those that may leave*
- ◇ *Pay our operating costs that keep going up each year while funding is going down*

Please remember to vote for representatives who support education in November!

Hebron High School Mission Statement

Hebron High School, in partnership with parents and the community, is committed to anticipate, recognize, and meet the individual needs of all students as they prepare for their futures.

Hebron High School Vision Statement

It is our vision that all graduates of Hebron High School:

- Shall enter their post-high school life prepared to meet the challenges set before them;
- Shall have the resources to make themselves competitive in their chosen vocation;
- Will strive to be life-long learners.

To ensure our vision we shall:

- Encourage and challenge each student to recognize learning as a lifelong experience;
- Furnish the tools and provide the opportunities to obtain the skills necessary for each student to work to his/her full potential;
- Assist each student to become actively involved in his/her learning experience so he/she may learn to reason intelligently, evaluate choices wisely, communicate effectively, work cooperatively and solve problems creatively;
- Maintain a safe and positive learning environment where each student will develop the academic and social skills necessary to become a productive citizen.
