Veteran's Day

Mr. Eriks and the history department have been preparing the past few weeks for their big event, the annual Veteran's Day Program. This is a historical program that brings the middle and high schools together to honor those who have served our country. We will welcome again the Hebron American Legion to present the colors, and the Hebron High School and Middle School Bands to provide beautiful music for the program, honoring each branch of the military. We will also hear poems and stories from veterans by Hebron

Middle and High School students, along with our guest speaker, Gregory Zieba, a US Marine Corps First Sargent. He will be introduced by his nieces, Daryn and Bailee Torres. Community members are welcome to attend and all veterans will be seated on the gym floor to be recognized throughout the program. The program is on Tuesday, November 11th, and will begin at 8 am in the high school gym.

Charlotte's Web

This year's Drama Club will present the story of Charlotte's Web for their fall play. With a cast of 30 this year and such a great story to tell, there is no doubt that the Drama Club will bring something special. The dates for this year's fall play will be November 14th, 15th, and 16th. Show times are 7:30 on Friday and Saturday and 2:30 on Sunday. Doors open 30 minutes prior to show time and the show is in the high school auditorium. Tickets are just \$5 and children four and under are free. Come watch the Hebron Drama Club bring this literary classic to life!

Boys Soccer

The Hebron Boys soccer team has been outstanding this year. Ending the season with a 19-1 record and making it to Semi-State is what we call a team! We owe a lot of credit to our three seniors this year for getting this far and they are Richie Botts, Grant Morrow, and Brad Blank. Yes, we are going to lose those guys, but our team will be stronger than ever next year, and this all wouldn't of been possible without our fans to support us.

Girls Soccer

Girl's soccer has officially come to an end. With a of record 10-7 the team couldn't complain. It was a rough season starting out playing difficult teams like Rensselaer and Boone, but they came back as the season went on. The girls had two players to make PCC All-Conference this year: Mariah Wilson and Brittany Botts. The team loses three seniors this year, Daryn Torres, Alyssa Doeing, and Katie Vaughan, which will be tough to come back from next year. However, with a young experienced team coming back as juniors, a solid set for seniors, and reliable under classmen, we are expecting to go far in the sectional, as well as first in the PCC. Next season can't come soon enough for our soccer girls.

Boys Volleyball

Hebron Boys Volleyball had a great season this year, finishing with a 10-5 record. They beat Washington Township in four sets in the first round of the Porter County Conference tournament. Next, they defeated Morgan Township in five sets. Last, they lost to Boone Grove in four sets in the tournament finals, bringing their great season to a close.

The boys lose two seniors this year - Brad Blank and Michael Hoisington. Our underclassmen are extremely proud of the two seniors and wish them luck for the future. Also, Ryan Daniel was eleventh, Carson Roeske tenth, and Brad Blank was second all-conference. Great season this year boys, way to make Hebron proud once again!

Girls Volleyball

The girls volleyball team fought hard this year, especially against their final opponent: Hammond Bishop Noll. The game (sectional semi-finals) took place on October 25th at 11:00 in the morning. Our girls lost in three games, with scores of 25-6, 25-12, and 25-12. Any loss is disappointing, but Bishop Noll is a large school with a very talented team, and the girls left with their heads high. Hebron Varsity Volleyball loses three seniors this year - Morgan Morrow, Taylor Pass, and Sam Stueber. The seniors took the opportunity to say goodbye, and the players and coaches wished them good luck in their future endeavors. Although the season did not go as hoped, the girls are very proud of each other and have had a great time playing together throughout the year. The team also looks forward to their next season and Coach Saberniak hopes to hold open gyms throughout the school year into the summer.

Boys XC

The Boys Cross Country team did very well this year making it to Regionals as a team and also getting three runners qualifying out to Semi-State: Joe MacNeil, Scott Crawley, and Eric Brebner. With the terrible conditions at Regionals it was very rough for our own runners to qualify as runners for semi-state. After being so close to making the team out of Regionals they will be ready for next year and itching for the coming track season that is right around the corner.

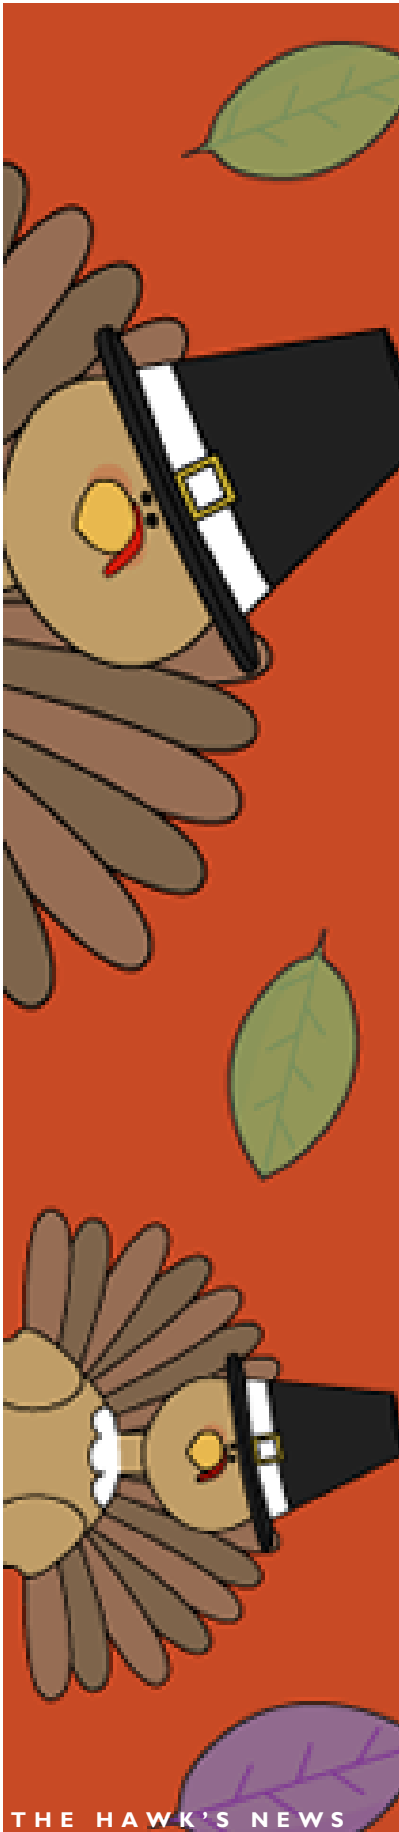

Girls XC

The Girls High School Cross Country Team had a successful season this year! They recently ran at Lemon Lake for the regionals race, placing 7th. Two of the girls, Liz Fox and Star Rodriguez, qualified individually for Semi-State. They ran

their best at the race, with their team there supporting them, wrapping up the season with an outstanding ending! We will be losing three seniors next season - Liz Fox, Abby Getautas, and Jordan Keehn. They will be missed and the team wishes

them the best of luck in college. Coach DeFries is hoping for many of the upcoming eighth graders to join the team enlarging their talent and making it another successful season to remember.

Boys Basketball Outlook

The boys have been preparing for the upcoming 2014-2015 season by conditioning for the past three weeks. The boys will continue conditioning until their first official practice in the second week of November. The boys first regular season matchup is on Tuesday, November 25 at our home gym going up against Covenant Christian. We hope our great fans come out again this year to support the team like they did so many times last year.

The roster for the boys team is looking good for the upcoming season. Many players from last years PCC Championship team are returning this year, giving high hopes for another great season.

Girls Basketball Outlook

It's that time of year again and basketball has finally come rolling around! With every season, there is change and the girls basketball team is no stranger to change. Despite losing four starting seniors, the Hebron Girls Basketball team worked diligently all summer in order to give the team a new face for the season. This young group is ready to take on any opponents that come their way over the course of the season and are ready to step up to the plate to have a winning season. Girls basketball has their season opener Saturday, November 15 against Wheeler.

Wrestling Outlook

This year's wrestling team marks it's ninth season at Hebron High School with teacher and coach Mr. Todd Adamczyk at the helm. There are only two seniors on the team this year, Danny Wallace and Michael Hoisington. We are very happy to welcome one foreign exchange student to the team, Nick Fleckhaus from Germany. Their first meet takes place on November 19 at The Hammond Gavitt Invite, so come out and support our Hebron Wrestling Team!

Thanksgiving Break

Time flies, and the proof is that it is our favorite time of the year again - Thanksgiving! Thanksgiving is one of the most beloved holidays in America, where families come together to eat and give thanks to one another. This holiday is traced back to the 1621 celebration at Plymouth Rock in present-day Massachusetts, where the Pilgrims that emigrated from England could give thanks for the blessing of the harvest and the preceding year. Farm towns like Hebron can take immense pride in this holiday, for the harvesting of our farmland provides food and nourishment for families all over the state. That is why America takes one day out of the year to give thanks for our blessings as well as the year's harvest which provides food for all. This year's Thanksgiving break is Thursday, November 27th and Friday, November 28th, with Thanksgiving Day being on the 27th. School will resume Monday, December 1st. Everyone have a nice break and remember to eat lots of traditional Thanksgiving food like turkey, mashed potatoes, stuffing, corn, and pumpkin pie!

Dinner Roll Sales

For the second year in a row, the Hebron Newspaper and Yearbook Staff are selling Texas Roadhouse Dinner Rolls. These rolls are a perfect addition to your family's Thanksgiving or Christmas dinners, and they even come with complimentary cinnamon-apple butter. The sale will end on November 14th, so hurry up and find a Newspaper or Yearbook staff member and order yours today! The rolls are only \$4 a dozen, and for each dozen you buy, you will receive a voucher

to bring when you pick them up. Rolls will be available for pick-up from the High School cafeteria on Tuesday, November 25th and Wednesday, November 26th from 3 - 6 p.m. (Remember to bring your vouchers). These two clubs will use the proceeds to attend the annual J-Day (Journalism Day) field trip to Ball State to learn all about journalism and media communication. Thank you for supporting your Hebron Newspaper and Yearbook Staff! Contact Mr. Grigsby for more information and/or questions.

Kiner's Corner

Read a Rosie? This year, Hebron High School will participate in voting for the Eliot Rosewater Award. Twenty books are selected from a Wannabe list, by a committee of librarians, and the winner is chosen by students from participating schools and public libraries.

The media center kicked off the voting on Election day and our voting poll will close at the end of April. Unlike an actual election, students can rate any book they've read. They are tallied at the end of April and the results are sent in by May 1st. The committee will tally all the votes and choose the winner. Last year, the winner was *Divergent* by Veronica Roth, with 6277 votes. They also will choose an Honor Book. Two years ago, for the first time in history, three were chosen. Last year, there were just two. *The Fault in Our Stars*, with 6264 votes, by John Green and *Ashfall*, with 3005 votes, by Mike Mullin.

For a list of this year's Rosies, visit the display in the media center. Get in on this first time venture to choose the next Rosie! Keep reading and voting and we'll see if Hebron High School helps pick this year's winner!

Art Club

Hebron High School's Art Club has had a great outcome so far this year. At the beginning of the year, a large amount of students attended the call out meeting. Annabell Folsom was elected president, and Kasie Sass was elected vice president. For Halloween, many members stayed after school to carve pumpkins and eat snacks as a club activity. Art Club's next upcoming event will be on Friday, November 11th of this year. They will be eat-

ing at a restaurant and then attending the well known play Annie in Chicago at the Cadillac Palace Theatre.

Annabell Folsom says, "Hopefully in the month of December, our art club could do something fun like baking and decorating Christmas cookies, or have a build-a-snowman contest. A specific date has not been decided on yet though."

Bring out your artistic side and join the Hebron Art Club today!

Homecoming!

The 2014 homecoming theme will be "The Great Gatsby". Tickets will go on sale starting November 17th at lunch time.

Spell Bowl

The High School Spell Bowl season took some work, but was a lot of fun for those involved. The team met and practiced after school many nights, and often on their own as well, preparing for the competitions. The first invite was in Kouts, and those who were able to attend were: Madison Sohaney, Aubrey Sohaney, Kelly Steffan, Dana Wilber, Joanne Keys, Anna Wilson, Nathan Gajda, and Caitlyn O'Campo. The official meet took place on November 3 at North Judson where speller Andrew Briggs earned a near perfect score in his round! Others who were able to participate that evening alongside Andrew were: Dana Wilber, Payton Schatz, Jayne Anderson, Jordan Burke, and Scott Crawley. Hebron spellers took home ribbons for the team earning fourth in their class. Thanks to all who participated and we look forward to working at it and getting even better next year!

History Club

This is the first year of History Club here at Hebron High School, and we're holding bi-weekly meetings on Wednesdays, during the second half of SRT. Members can look forward to tracing their family's lineage and using this information to map out a family tree. The club has committees for making decisions and is largely self-governed. Potential field trip ideas are being discussed, and fundraising for the Hebron Historical Society is in the works. Any students interested in history are encouraged to attend our next meeting, which will take place November 19th, during the second half of SRT.

Hebron High School Mission Statement

Hebron High School, in partnership with parents and the community, is committed to anticipate, recognize, and meet the individual needs of all students as they prepare for their futures.

Hebron High School Vision Statement

It is our vision that all graduates of Hebron High School:

Shall enter their post-high school life prepared to meet the challenges set before them;

Shall have the resources to make themselves competitive in their chosen vocation;

Will strive to be life-long learners.

To ensure our vision we shall:

Encourage and challenge each student to recognize learning as a lifelong experience;

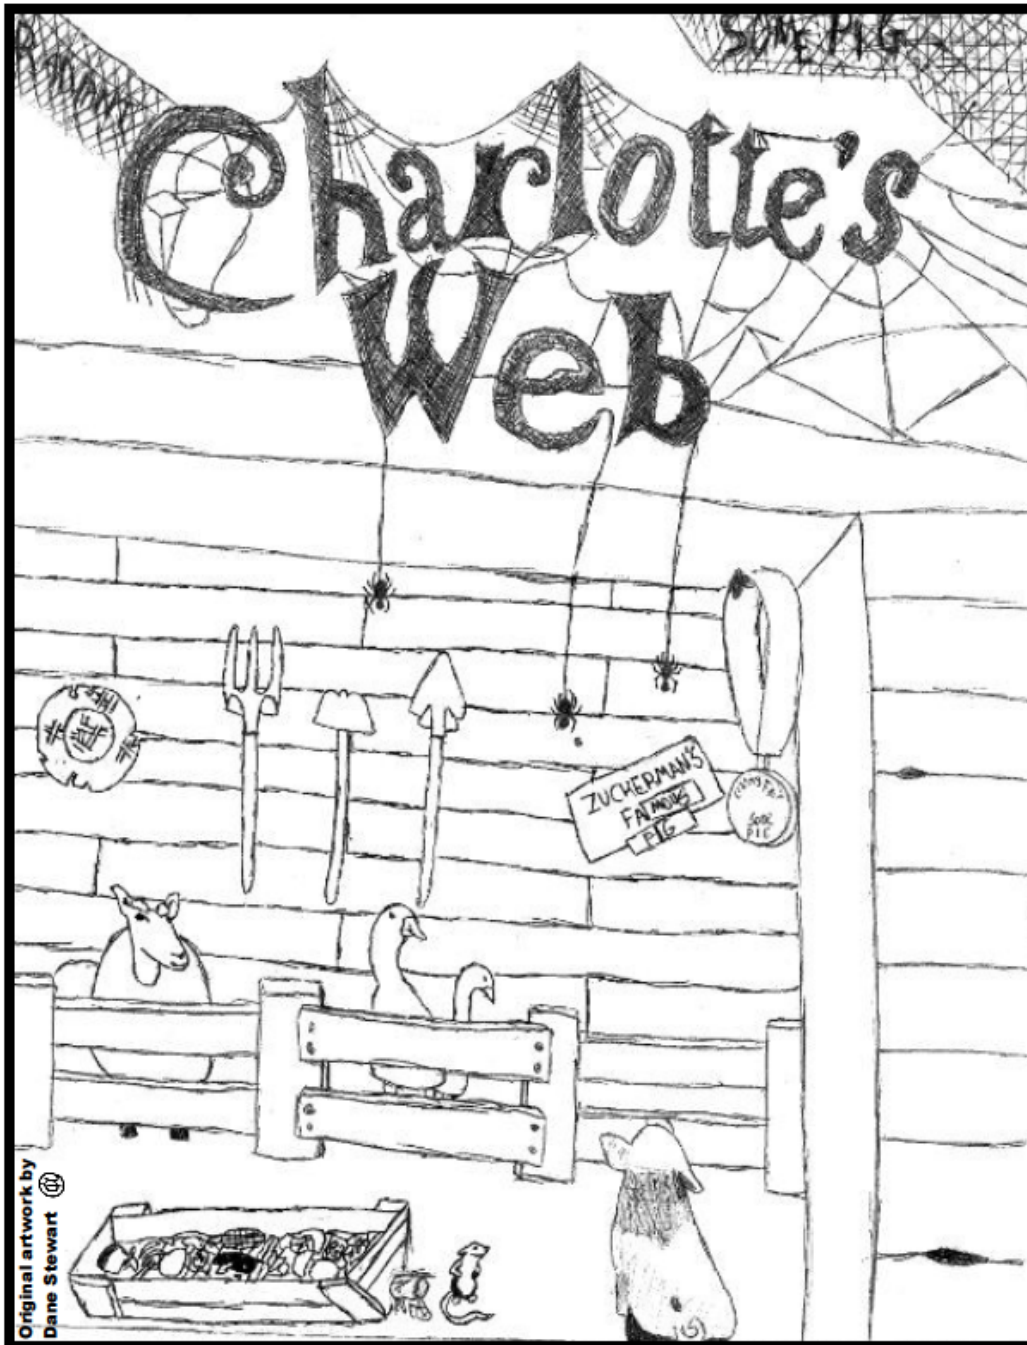

Furnish the tools and provide the opportunities to obtain the skills necessary for each student to work to his/her full potential;

Assist each student to become actively involved in his/her learning experience so he/she may learn to reason intelligently, evaluate choices wisely, communicate effectively, work cooperatively and solve problems creatively;

Maintain a safe and positive learning environment where each student will develop the academic and social skills necessary to become a productive citizen.
